

Performance Ascent Trainer

GROUP TRAINING LED CONSOLE

A-PS-GTLED

Offer full-body, low-impact intensity with an Ascent Trainer that withstands heavy use for years. Patented suspension design, variable stride length and refined ergonomics keep workouts quiet, smooth and natural, even when incline is increased to target and tone different muscles. Includes water bottle holder and removable disk to streamline maintenance.

Make group training smoother and more rewarding with our Group Training LED Console. The interface is easy to navigate, and smart features help participants of all ages and stages stay in sync with instructor cues.
