

Lifestyle ClimbMill

TOUCH CONSOLE

C-LS-TOUCH

Created for low-volume facilities, our Lifestyle ClimbMill features a compact design that makes it possible to bring climbing workouts to facilities with lower ceilings. Smart features make workouts comfortable and secure, and our durable components will keep your people climbing for years. It's even as easy to service as it is to use, so it will always be ready.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

Note: Products with Touch Console must be connected to a power source.
