

## Endurance Recumbent Cycle

### PREMIUM LED CONSOLE

R-ES-PLED

Our Endurance Recumbent Cycle distributes weight and offers excellent support for a low-impact cardio workout. Custom-molded, adjustable touchpoints and an ergonomically sculpted seat and back pad enhance comfort for users of all sizes and ability levels, while smart design features streamline service for technicians and simplify placement for facilities.

Give members the intuitive navigation of an LED with a more engaging look. An 8,000-pixel display fills the screen with color and sharp graphics, providing clear, easy-to-read feedback in large numbers and letters.
